NOTICE TO POLICYHOLDERS
UNINSURED MOTORIST COVERAGE SELECTION**

According to our records, your policy contains Uninsured Motorist Coverage. This important coverage provides protection for you, your family, your passengers while occupying your vehicle, or another driver operating this car with your permission, when another at-fault driver is legally responsible for your injuries or property damage but that driver does not have any automobile liability insurance. Coverage may apply if the at-fault driver has liability insurance but the amount of insurance is less than the damages you sustained in the accident. The actual terms of this coverage are governed by Georgia law.

During the 2008 Session of the Georgia General Assembly, a law was passed that requires us to provide revised Uninsured Motorist Coverage unless you reject this coverage in writing. We refer to this new coverage as **Uninsured Motorist Coverage-Added on to At-Fault Liability Limits**, hereinafter referred to as "**New Uninsured Motorist Coverage**". This **New Uninsured Motorist Coverage** provides additional protection at a higher premium than the coverage you currently have. If you or other eligible insureds are injured or have property damage caused by an uninsured or underinsured motorist, the **New Uninsured Motorist Coverage** provides protection that will pay for your damages in addition to the at-fault driver's Liability Coverage limit up to your **New Uninsured Motorist Coverage** limit.

If you reject the **New Uninsured Motorist Coverage**, you may select **Uninsured Motorist Coverage-Reduced by At-Fault Liability Limits**, hereinafter referred to as "**Traditional Uninsured Motorist Coverage**". This coverage is comparable to the coverage you currently have. **Traditional Uninsured Motorist Coverage** provides less protection than the **New Uninsured Motorist Coverage**, but the **Traditional Uninsured Motorist Coverage** is available at a lower premium. Unlike the **New Uninsured Motorist Coverage** that provides up to a full limit of protection over and above the at fault drivers liability coverage, **Traditional Uninsured Motorist Coverage** will only pay up to the difference between the at-fault driver's Liability Coverage and your **Traditional Uninsured Motorist Coverage**. This means **Traditional Uninsured Motorist Coverage** will allow you to collect from the at-fault driver and your **Traditional Uninsured Motorist Coverage**, combined, up to the same limit of **Traditional Uninsured Motorist Coverage** you have purchased.

The two uninsured motorist coverage choices do not differ if the at-fault driver responsible for your injuries or property damage does not have any Liability Coverage. In such cases, both **New Uninsured Motorist Coverage** and **Traditional Uninsured Motorist Coverage** will pay up to the amount of Uninsured Motorist Coverage purchased.

We understand that these coverage choices can be confusing and hopefully the attached examples will assist you in making an educated decision regarding the Uninsured Motorist Coverage that best suits your needs.

I acknowledge that I read and understand my Traditional Uninsured Motorist and/or New Uninsured Motorist coverage options. I also acknowledge that I may contact my Agent/Agency Representative to obtain additional policy coverage information.
